

Process of professional reorientation.

Reflection

- Energy balance
- Reason for leaving
- Identification of professional success factors
- Self-image and external perceptions
- Creation of the ideal position based on one's own successes / strengths / values

Consolidation

- Definition of USP
- Management summary / CV
- Identification of potential employers
- Network development
- LinkedIn appearance

Positioning

- Use of network
- Executive Search
- 3-minute elevator pitch
- Prepare and simulate the interview
- Define a plan of action

Implementation

- Contract negotiation
- Interview preparation and follow-up
- Making decisions aligned with one's own scale of values
- Completion of the application process

Maintenance

- Probationary support
- Team development
